For each area within the licensed premises where different recorded music selections are played, a separate License need to be obtained.

6. This Licence issued under this category explicitly excludes massage and wellness centres and health clubs.

7. Due to a significant increase in membership and content, with PPL now managing over 7 million+ sound recordings (a 100% increase in the past four years), an adjustment in tariffs was found necessary. The revised fees ensure fair compensation for the expanded repertoire, while still offering very reasonable rates for access to PPL's vast and diverse music library.

8. The revised tariffs are partially designed to support PPL's members in fulfilling their financial obligations to ISAMRA ensuring that PPL's members can continue to pay ISAMRA for Performers' Rights, thereby preventing any additional fees or legal actions against PPL's licensees by ISAMRA. This tariff adjustment is solely for the financial support of PPL's members and does not constitute a charge for the exploitation of ISAMRA's rights.
