

Part B

Category 33(J) Award Show

1. The Licence under this category covers only the live usage of the copyrighted sound recordings controlled by PPL during the on-ground award show ceremony. This includes playing the music during the event itself, such as during performances, walk-ins, and other relevant segments. But it specifically excludes pre and post usage such as pre & post award show parties for which a separate Licence need to be obtained as per relevant category.

2. License fee shall be calculated at the following rates

Average Attendance	License Fee per event per day (Rs.)	
	Hindi / English Language	Regional Language
1 - 1000	15 Lacs	7.50 Lacs
Every Additional pax over 1000 will be charged at Rs. 1,250 per pax over & above tariff for 1000 pax		

3. Event Enhancement Fee: An additional fee of Rs. 5 lakh per celebrity and Rs. 3 lakh per celebrity respectively for Hindi/English Language & Regional Language will be charged over and above the standard license fee for events featuring celebrity appearances. This fee applies to the entire event, regardless of the duration of the celebrity's presence, as the inclusion of celebrity talent significantly raises the overall profile and value of the event. This fee is not linked to the celebrity's time of presence but to the overall elevated impact and usage of PPL's music throughout the event. For the definition of "celebrity," please refer to the Preamble.

4. The above tariff is for the on-ground performance within the day during award shows which may be to generate content for the broadcasting on TV, OTT/Similar Digital Platforms. The license, however, does not cover any permission for telecasting or broadcasting or use on any non-physical mode like digital instrument etc., for which a separate licence has to be procured from individual labels or owners.

5. The above licence fee does not include Background Music Licence for the properties (e.g. Hotels, restaurants, bars, lounges, clubs etc.), where such award shows would have been physically conducted on ground. For such background usage, separate Licence need to be taken as per respective tariffs applicable for the relevant Background Music Licence category.

6. The total license fee shall be the fees calculated at base rates along with the additional fees as above or 5% of the total revenue earned by way of sponsorship (direct or barter), and admission charge/tickets, Package Selling for the said event, (as evidenced by audited financial documents) whichever is maximum

7. Due to a significant increase in membership and content, with PPL now managing over 7 million+ sound recordings (a 100% increase in the past four years), an adjustment in tariffs was found necessary. The revised fees ensure fair compensation for the expanded repertoire, while still offering very reasonable rates for access to PPL's vast and diverse music library.

8. The revised tariffs are partially designed to support PPL's members in fulfilling their financial obligations to ISAMRA ensuring that PPL's members can continue to pay ISAMRA for Performers' Rights, thereby preventing any additional fees or legal actions against PPL's licensees by ISAMRA. This tariff adjustment is solely for the financial support of PPL's members and does not constitute a charge for the exploitation of ISAMRA's rights.
