

Part A
Category 47 Shopping Malls

1. Under this category, the Licence is only for on ground usage of Licensed Music as ambient background music within the common areas of the shopping mall operated by Licensee. The Licence is intended to create a pleasant and inviting atmosphere for visitors and shoppers in the specified areas. The common areas where the Licensee may play the Licensed Music as an ambient background music are parking lot, lawns, food courts, corridors, lobbies, elevators, atrium, and any other designated common areas (specially mentioned in the license) accessible to shoppers and visitors.

2. License fee shall be calculated at the following rates

Type of Venue	Per Sq Ft	Min. Fees
A Class City	Rs. 5/- per sft	Rs. 1,00,000/-
B Class Cities	Rs. 4/- per sft	Rs. 80,000/-
Other Class Cities	Rs. 3.5/- per sft	Rs. 70,000/-

3. This Licence explicitly excludes the following usages of the Licensed Music within the shopping mall:

a. **Shops and Retail Units:** The Licensed Music shall not be played within individual shops, retail units, or any stand-alone commercial outlets within the shopping mall.

b. **Restaurants, Pubs, Lounges, and Bars:** The Licensed Music shall not be played in any restaurants, pubs, lounges, bars, or similar dedicated eating and drinking establishments operating as separate entities within the shopping mall.

c. **Active Commercial Usage:** Licensed Music shall not be used for any active commercial purposes, such as live performances, public events, or any activities where the music becomes a primary and prominent component of the performance.

d. **Internal or External Ad Campaigns:** Licensed Music shall not be used for internal or external advertising campaigns, promotional videos, or any form of commercial advertisement within or outside the shopping mall.

4. The different parts or areas of the licensed premises may require distinct recorded music selections to maintain appropriate ambiance and cater to the specific needs of each area. For each area within the licensed premises where different recorded music selections are played, a separate Licence needs to be obtained.

5. The total license fee shall be the fees calculated at base rates along with the additional fees if any as above or 5% of the total revenue earned by the Licensee in the previous financial year, (as evidenced by audited financial documents) whichever is maximum. In the event, the establishment was functional only part of previous year, the amount as% of revenue shall be calculated on best judgment of revenue by licensee with option to PPL to recover differential.

6. Due to a significant increase in membership and content, with PPL now managing over 7 million+ sound recordings (a 100% increase in the past four years), an adjustment in tariffs was found necessary. The revised fees ensure fair compensation for the expanded repertoire, while still offering very reasonable rates for access to PPL's vast and diverse music library.

7. The revised tariffs are partially designed to support PPL's members in fulfilling their financial obligations to ISAMRA ensuring that PPL's members can continue to pay ISAMRA for Performers' Rights, thereby preventing any additional fees or legal actions against PPL's licensees by ISAMRA. This tariff adjustment is solely for the financial support of PPL's members and does not constitute a charge for the exploitation of ISAMRA's rights.

8. General Terms

8.1 This tariff category is subject to the general rules and guidelines set forth in the Preamble of the Tariff Scheme, which must be followed meticulously. The licensee is advised to carefully review the Preamble and ensure compliance with its provisions at all times while availing the rates prescribed under this tariff category.

8.2 This Tariff applies to the Public Performance of Music at the premises either for staff members or for general public by any mechanical or electronic device, including radio, television (for playing standalone sound recordings), record/CD/tape players and digital music service by way of Background Music.

8.3 The above tariff is for Background Music only. A Background Licence is not valid for any Event (e.g., Shows, promotions, product launches, fashion shows, DJ parties, New Year Events etc.). For all events / shows organized in the said category a separate Event Licence has to be obtained. For Events Licence refer Event Categories.

8.4 The above tariff is based on the declarations made by Licensees about the usage of the copyrighted sound recordings controlled by PPL India. These declarations have been adopted in good faith which if found incorrect, shall invite the recovery of additional fees towards damages.

8.5 Non-Compliant Licensees who seek to regularize past infringements/violations/breach of PPL India's rights and licences (including noncompliance with agreements, usage without clearance, litigations etc.) additional fees towards damages over the existing Tariff shall be applied at the discretion of the company.

9. The above Tariff comes into force from 14th November, 2024.
