Type of Casinos	Rs. Per Annum per Casino
Offshore Casinos	30,00,000

2. An onshore casino Licence is applicable only for Casinos on Land. The Casino may or may not be part of a hotel / any other Premises. For the usage of recorded music in hotel or other premises other than casino, a separate tariff will be applicable depending on type of hotel / other premises. An offshore casino licence is applicable only for Casinos on water.

3. The different parts or areas of the Casino may involve distinct recorded music selections to maintain appropriate ambiance and cater to the specific needs of each area. For each area within the Casino where different recorded music selections are played, a separate Licence needs to be obtained.

4. The Licensee shall not use recorded music during live performances, including concerts, musical acts, and stage shows featuring live performers. The Licensee shall refrain from using recorded music in sports betting areas or sportsbook sections within the Casino and during casino tournaments, competitions, or similar gaming events, for which a separate Licence need to be taken.

5. The total license fee shall be the fees calculated at base rates along with the additional fees if any as above or 5% of the total revenue earned by the Licensee in the previous financial year, (as evidenced by audited financial documents) whichever is maximum. In the event, the establishment was functional only part of previous year, the amount as % of revenue shall be calculated on best judgment of revenue by licensee with option to PPL to recover differential.

6. Due to a significant increase in membership and content, with PPL now managing over 7 million+ sound recordings (a 100% increase in the past four years), an adjustment in tariffs was found necessary. The revised fees ensure fair compensation for the expanded repertoire, while still offering very reasonable rates for access to PPL's vast and diverse music library.

7. The revised tariffs are partially designed to support PPL's members in fulfilling their financial obligations to ISAMRA ensuring that PPL's members can continue to pay ISAMRA for Performers' Rights, thereby preventing any additional fees or legal actions against PPL's licensees by ISAMRA. This tariff adjustment is solely for the financial support of PPL's members and does not constitute a charge for the exploitation of ISAMRA's rights.
